Re: Gross Electric, Inc.
Case 03-CA-187577

ORDER

Respondent's request for acceptance of its late-filed answering brief is denied. The reason for the late filing, i.e., "law office failure" to correctly calendar the due date for this brief, does not rise to the level of excusable neglect. *Unitec Elevator Services Co.*, 337 NLRB 426 (2002).
